**Refurbishments at the backside of the Hotel**

Dear,

The backside of the main building will undergo a large refurbishment this summer. This includes new windows for all back-side located rooms, meeting rooms Lucca and Serwir Suite, The Fitness Room and the whole stairwell.

Afterwards, the backside will be covered with new insulation like the front of the main building and new wing.

Preliminary works, behind de scenes, have started in the beginning of June.

Yours Faithfully,

The Management.
